

BCIU Regional Wide Area Network E-rate Consortium
Data Transmission Services Request for Proposals

**Clarification #2 to BCIU Data Transmission Service RFP
November 9, 2020**

Due to extenuating circumstances related to COVID-19, the Berks County Intermediate Unit will accept paper copies of submitted proposals after the November 12, 2020 deadline without penalty. However, complete electronic copies of submitted proposals remain due by 3:00 PM on November 12, 2020.

Failure to submit electronic copies of the proposal by the stated deadline will result in disqualification from the bid process.

End of Clarification
