

BERKS COUNTY INTERMEDIATE UNIT

HEALTH + SAFETY PLAN

Approved August 19, 2021 | Effective August 20, 2021 | Approved/Revised March 17, 2022 |
Acknowledged June 16, 2022 | Updated August 18, 2022 | Acknowledged/Approved/Revised January 19, 2023

Health and Safety Plan Summary: **Berks County Intermediate Unit**

Initial Effective Date: July 1, 2021

Date of Last Review: January 19, 2023

Date of Last Revision: January 19, 2023

1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?

The health and safety of the Berks County Intermediate Unit (BCIU) and the Pennsylvania Key staff and students remain, as always, the top priority for the organization. The BCIU Leadership Team and Pandemic Team continue to take critical steps in making decisions that protect the health and safety of our organization in the ongoing response to the COVID-19 pandemic.

In response to the expiration of statewide mitigation orders, the BCIU has identified organizational standards and expectations which outline the protocols expected of all staff members as the organization transitions forward. Protocols include the following:

- Self-Screen for COVID-19 Symptoms
- Practice Hand Hygiene and Respiratory Etiquette
- Clean and Disinfect Your Workplace
- Employ Physical Distancing Protocols
- Wear Face Coverings (in accordance with section 3.a.)
- Transportation Protocols
- Communicable Disease Reporting Procedures
- Adhere to the CDC's Guidance Relative to Isolation and Exposure
- Participate in Required Training
- Monitor Communication and Confidentiality
- Stay Informed and Maintain Best Practices
- Stay Informed of CDC's Guidance Relative to Travel
- Vaccination

Additionally, supplemental documents have been prepared to provide additional direction and guidance to staff.

Expectations are based on the latest mandates issued by the Governor's Office, the Pennsylvania Department of Health (DOH), the Pennsylvania Department of Education (PDE), the Department of Human Services (DHS), the Office of Child Development and Early Learning (OCDEL), and the Centers for Disease Control and Prevention (CDC). The BCIU Leadership Team and Pandemic Team will continue to monitor

communications. As conditions change and/or new orders/mandates are issued related to COVID-19, protocols are subject to change.

2. How will the LEA ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?

The BCIU educational programs and services will operate full in-person instruction and/or shift between in-person and virtual instruction depending on certain circumstances in accordance with the temporary provisions under Section 520.1 of the School Code and/or as directed by the DOH. And in accordance with OCDEL, teleintervention will remain an ongoing option for delivering services by a student's IEP Team.

The BCIU continues to make resources available through its employee assistance provider, online training system, and intranet site containing additional resources to include wellness information. Current employees and new hires, as part of their onboarding process, must complete training relative to the BCIU Health + Safety Plan: Organizational Standards + Expectations; Coronavirus – Managing Stress and Anxiety; and Bloodborne Pathogen Exposure Prevention (Universal Precautions). Instructional staff are required to complete additional coursework related to diaper-changing steps and food service modifications.

3. Use the following table to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.

ARP ESSER Requirement	Strategies, Policies, and Procedures
<p>a. Universal and correct wearing of masks;</p>	<p>The BCIU will comply with any face-covering mandate initiated by the state or federal government in accordance with general statutes.</p> <p>In the absence of a face-covering mandate, the use of face masks/coverings will be informed by guidance issued by the CDC and/or the PA DOH based on county risk level designations and other data sources, which include but are not limited to BCIU local case counts and conditions, building case counts, and community vaccination data.</p> <p>Exceptions to the optional use of face masks/coverings include the following:</p> <ul style="list-style-type: none"> • Transportation staff who transport students within school entities or programs with a mask requirement must adhere to the entity's/program's

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<p>mask requirement. However, drivers and assistants are not required to wear a face mask/covering when there are no students in the vehicle.</p> <ul style="list-style-type: none"> • Staff who travel to other locations to provide services must adhere to the location of service’s mask requirement. • Staff who work within school district buildings or outside agency locations must adhere to the masking requirements in those facilities. • Individuals who test positive or have symptoms of COVID-19 or were exposed to someone with COVID-19 and are considered a close contact should continue to follow guidance issued by the CDC and/or PA DOH. • Students, parents, guardians, visitors, and volunteers must adhere to the location of service’s mask requirement. <p>The BCIU will continue to make face masks/coverings available to individuals.</p>
<p>b. <u>Modifying facilities to allow for physical distancing</u> (e.g., use of cohorts/podding);</p>	<ul style="list-style-type: none"> • The BCIU will adhere to the latest mandates provided by PDE, DOH, CDC, and OCDEL relative to physical distancing. • Physical distancing to the maximum extent feasible will continue to be recommended for indoor and outdoor spaces and transportation vehicles, regardless of vaccination status. • Physical barriers, such as plexiglass dividers will be available for use in classrooms and high-traffic areas.
<p>c. <u>Handwashing and respiratory etiquette</u>;</p>	<ul style="list-style-type: none"> • Expectations related to handwashing and respiratory etiquette are contained in the BCIU Health + Safety Plan: Organizational Standards + Expectations document which has been emailed and mailed to each staff member as well as posted on the BCIU’s intranet site. • Protocols include: <ul style="list-style-type: none"> ○ Washing one’s hands often with soap and water for at least 20 seconds. ○ Using hand sanitizer that contains at least 60% alcohol (for staff and older children who can safely use hand sanitizer) if soap and water are not available.

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<ul style="list-style-type: none"> ○ Avoiding touching one’s eyes, nose, and mouth. ○ Covering coughs and sneezes with a tissue or cough or sneeze into one’s elbow. ○ Increasing monitoring to ensure adherence among students.
<p>d. Cleaning and maintaining healthy facilities, including improving ventilation;</p>	<ul style="list-style-type: none"> ● The BCIU will adhere to the latest mandates provided by PDE, DOH, and CDC related to cleaning and ventilation. ● The BCIU is committed to continuing the best practices developed in response to COVID-19 for keeping the workplace clean, disinfected, and safe for staff, students, and visitors. ● The use of universal precautions designed to minimize the transmission of communicable diseases will continue to be implemented. Hand sanitizer and cleaning materials will remain available. ● Limiting shared materials and the use of toys that cannot be easily cleaned will continue. ● Staff will continue to be expected to share in the cleaning and disinfecting of shared equipment and/or furniture/items within one’s office/classroom. ● Additional cleaning and disinfecting measures/protocols may be required as deemed appropriate or directed by the DOH, depending on circumstances. ● Staff will continue to be expected to adhere to appropriate personal protective equipment guidelines.
<p>e. Contact tracing in combination with isolation and quarantine, in collaboration with the state and local health departments;</p>	<ul style="list-style-type: none"> ● The DOH considers COVID-19 a communicable disease. As such, it is among the DOH’s listing of reportable diseases. ● Staff are required to report a suspected or known case of COVID-19 to their supervisor immediately and follow the guidance provided by their healthcare provider, the DOH, or the BCIU in accordance with the CDC’s recommendations. ● The BCIU will contact the DOH and follow their guidance. Guidance may include the following: <ul style="list-style-type: none"> ○ Disease information;

ARP ESSER Requirement	Strategies, Policies, and Procedures
	<ul style="list-style-type: none"> ○ The distribution of appropriate letters and communications; ○ Identification of high-risk individuals; ○ Appropriate action and treatment; and ○ Ongoing support and assistance.
f. Diagnostic and screening testing;	<ul style="list-style-type: none"> ● Staff are required to follow the recommendation of their attending physician and/or DOH directive(s) as it relates to diagnostic and screening testing.
g. Efforts to provide vaccinations to school communities ;	<ul style="list-style-type: none"> ● The BCIU continues to collaborate with local healthcare providers and epidemiologist leaders regarding targeted areas of need and will continue to serve as a vaccination host site if called upon. ● The BCIU continues to communicate local vaccine opportunities available to staff and the community at large.
h. Appropriate accommodations for students with disabilities with respect to health and safety policies; and	<ul style="list-style-type: none"> ● Special accommodations or health care needs of students with disabilities will be addressed through the IEP process. ● Accommodations may include but are not limited to adapted service delivery models (i.e., teleintervention, individualized services, when appropriate), and/or other health and safety precautions as outlined in an individualized health plan.
i. Coordination with state and local health officials.	<ul style="list-style-type: none"> ● The BCIU will continue to maintain existing partnerships with local and state agencies. ● As with any communicable disease, the BCIU will contact the DOH to report a suspected or known case of COVID-19 and follow its guidance.

Health and Safety Plan Governing Body Affirmation Statement

The Board of Directors / Trustees for **Berks County Intermediate Unit** reviewed and approved the Health and Safety Plan on August 19, 2021.
